

Sweet Forgiveness

Brent Helming

Broken in pieces
I humbly bow before You
Shattered by the weight of sin
Desperate to feel Your arms around me
And hear You say these words again

Sweet forgiveness
Sweet forgiveness

All my fear is melted in this moment
With mercy You cleanse me from my sin
The fragrance of freedom fills my senses
As I hear You say these words again

Sweet forgiveness
Sweet forgiveness
Sweet forgiveness
Sweet forgiveness

How good it is to be forgiven
How good it is to be set free
