

The Cross Of Christ

Brent Helming

You gave everything to give me life
Oh how I love the cross of Christ
Your gift of grace is my delight
As I embrace the cross of Christ
I embrace the cross the cross of Christ

How great the price that You paid for me
As Your blood poured out there at Calvary
Everything I have in this precious life
I have found in You and the cross
The cross of Christ

In You I find peace for this life
Strength for my soul in the cross of Christ
In You I trust the course of my life
And anchor my hope in the cross of Christ
Oh I hope in the cross of Christ

How great the price that You paid for me
As Your blood poured out there at Calvary
Everything I have in this precious life
I have found in You and the cross
The cross of Christ
