

Waiting On You Again

Casey Corum | Brent Helming

I've been down this road so many times before
And here I am on this road again
I'm asking for mercy in spite of my sin
Oh Lord You are the only One who loves me this way

Here I am Here I am
Waiting on You again
Waiting on You again

Lord Your faithful love is watching over me
Though I often try and turn the other way
But now I come and surrender
To Your unchanging grace
Oh Lord You are the only One
Who loves me this way

Here I am Here I am
Waiting on You again
Waiting on You again
