

You Shelter Me

Brent Helming

Jesus You are my shelter
In You I find hope, In You I find peace
Though I stumble Your love never falters
In You I find grace, In You I find strength
You are my Rock of Refuge
And You shelter me

Jesus You are my shelter
In You I find hope In You I find peace
(Yes) You are my Rock of Refuge
And You shelter me

You shelter me
In the darkest of nights
Through the stormiest seas
(Oh) The light of Your love
Is a beacon of safety to me
You shelter me

Jesus You are a strong tower
My enemies flee
When I call on Your name
(Yes) You are my Rock of Refuge
And You shelter me

You shelter me
In the darkest of nights
Through the stormiest seas
(Oh) The light of Your love
Is a beacon of safety to me
You shelter me
