

Your Great Faithfulness

Brent Helming

Each day dawning tells the story
Of Your great faithfulness
Each star is shining in testimony
To Your great faithfulness

Every storm cloud sending rain down
Tells of Your great faithfulness
Every color of each rainbow
Shines with Your great faithfulness

Your faithfulness flows endlessly
Like the mighty rivers to the sea
It goes on and on
Just like the great blue sky

Each bird is singing songs reminding us
Of Your great faithfulness
Of Your great faithfulness

Your faithfulness flows endlessly
Like the mighty rivers to the sea
It goes on and on
Just like the great blue sky
